Avision's

*Button Manager scans
directly to Adobe® certified
searchable PDF!*

Portable, Ultralight, Affordable

With its slender build, the Avison AV121/122/122C2 is ideal for those who want compact office equipment without sacrificing performance. The Avison AV121/122/122C2 scanner offers outstanding quality in a small footprint making it well suited for your desktop or the front-office environment.

The AV122C2 scans in color, grayscale, and monochrome at speeds up to 25 pages per minute in simplex and 50 images per minute in duplex mode. The auto-document feeder for the AV121/122/122C2 scanner can accommodate 50 sheets of paper at a time. This gives you a great advantage to continuously scan for a batch of 50-sheet document with no interruption to increase your efficiency.

What we have bundled

The Avison AV121/122/122C2 scanner comes with TWAIN and ISIS drivers and are also bundled with full version of exclusive Avison Button Manager, Avison AVScan, ScanSoft Paperport SE 11, Readiris 11 software application.

Avison's Button Manager

Completes your scan in a single step

Avison's state-of-the-art software application, the Button Manager, enables you to complete complex scanning task in just a single step. When the button is pressed, the scanner automatically scan your documents and convert them to a highly compressed file format, Adobe searchable PDF, or other image format and then send the file to a designated folder, or other destination applications such as e-mail, printer, or your favorable software application. The original step-by-step procedure is replaced with only a single touch of the button.

Avision AV121/122/122C2 Sheetfed Scanner

Button Manager Delivers and Manages Your Document Better on the Internet

Fit for both first-time and experienced users alike

For first-time users, Avison's Button Manager provides a true ease-of-use with the 9 pre-configured file formats and destinations. For advanced users, Avison's Button Manager makes full customization possible. For example, you can change scan settings, file formats, or even add new destination software application to fit your own scanning needs.

Automatically converts to Adobe certified searchable PDF

Incorporated with Adobe's PDF scan library, Avison's Button Manager allows users to scan and convert document to a increasingly popular and effective compression file format, Adobe searchable PDF, to share and manage high volume or high-resolution color documents on the internet in an unprecedented high quality and speed.

The PaperPort 11SE main screen

PaperPort 11SE

PaperPortR provides the easiest way to turn paper into organized digital documents that everybody in an office can quickly find and use. PaperPort works with scanners, multifunction printers, and networked digital copiers to turn paper documents into digital documents. It then helps you to manage them along with all other electronic documents in one convenient and easy-to-use filing system.

The AVScan main screen

Avison AV Scan– Scanning & Imaging Solution

AVScan is an intelligent scanning and electronic filing solution. AVScan possesses distinct features

that convert and index scanned information into electronic documents for easy storage and fast retrieval.

Readiris – Powerful and Accurate OCR Software
